

# JAIN CHEMICALS

Your Trusted Raw Material  
Supplier

## About Us

Jain Chemicals is a leading supplier of high-performance industrial chemicals and additives, specializing in plasticizers (DOP, DBP, DEP, DINP), CPW, PVC resin, stabilizers, and pigment colors. With a focus on consistent quality, timely delivery, and customer-centric service, we cater to a wide range of industries including cable manufacturing, PVC products, synthetic leather, footwear, and automotive components. Backed by strong logistics and technical expertise, we aim to be a trusted partner in your manufacturing journey.
