About Us

Jain Chemicals is a trusted name in the distribution and supply of high-quality industrial raw materials, serving manufacturers across Rajasthan with reliability, integrity, and technical expertise.

With a strong commitment to quality and customer satisfaction, we offer a comprehensive range of products including Plasticizers, PVC & CPVC Resins, Chlorinated Paraffin, Calcium Carbonate, Stabilizers, Titanium Dioxide, Pigments, and other specialty chemicals catering to industries such as PVC pipes, wires & cables, footwear, packaging, leather cloth, masterbatch, and industrial manufacturing.

As an chemical trader in Rajasthan, we ensure consistent product quality, competitive pricing, timely deliveries, and dependable technical support. Our customer-centric approach, extensive industry knowledge, and strong supply network have enabled us to build lasting relationships with manufacturers of all sizes.

At Jain Chemicals, we don't just supply raw materials—we deliver reliable solutions that help industries manufacture better products, improve efficiency, and achieve sustainable growth.

Quality • Reliability • Trust
